Shout Out

The Martlet

ADMINISTRATION

A message from the Head of School:

Claire Charlemagne

The Academic year 2014-15 will be remembered for many things, not least the dramatic events of October when we saw two hurricanes hit the island in quick succession, tearing the roof off first the Secondary department, and then Lower Primary. In true Saltus style, the School community pulled together and we were back up and running in next to no time. It was a testament to the strength of the Saltus family that everyone pitched in to help with such good humour. Our theme for the year was 'Commitment to Care: Our School, Our Island, Our World', in keeping with one of the pillars of our school mission statement 'service to others'. Our Cancer Awareness Week was a great example of our school community pulling together in the spirit of service. We are proud that our School community raised over $220,000 for cancer research and care. Giving back is something we all believe in at Saltus.

Deputy Head

Chris Latimer

Our students represented the school admirably in so many areas throughout the year. It is impossible to include all of the numerous achievements and successes; the following summary focuses on just a few key highlights.

Our examination results published in the summer of 2014 continued to demonstrate the strength of the academic programme at Saltus. We celebrated 40 years of offering Advanced Placement courses and examinations. The class of 2014 entered for examination across a broad range of subjects with over 70% achieving grades that would allow them credit in their first-year of university. We were delighted to see twelve students of the graduating class awarded the designation of Advanced Placement (AP) Scholar by the US College Board. Our IGCSE results were equally impressive, with a 100% pass rate and 39% of all examinations passed at A and A* grades at GCSE; doubled since 2010. We enjoyed fantastic Sports Days in our Lower and Upper Primary and Secondary departments, and our students competed exceptionally well at the Inter-School Sporting Championships throughout the year. Saltus students won medals in numerous events, and we were proud that so many were recognized as Champions. We entered no fewer than 30 participants from S7 to SGY2 in the in the Tokio Millennium School Teams Challenge, winning the first high school team and 1st overall, as well as the first middle school team and 2nd overall. At the annual Denton Hurdle Awards several Saltus students were nominated and we were thrilled with the honour awarded to Liam Evans, who won the Senior boys division, LeiLanni Nesbeth, who won the middle school girls division, and William Noakes who won the primary school boys award. In Performing Arts our talented actors presented a very memorable performance of 'Our Country's Good'; an experience that I am sure will long be remembered by all involved. Shakespeare Speaks was an incredible showcase of our Year 7 students' theatrical talents. Our students showcased their musical abilities in a number of events throughout the year, most notably the Spring concert and the Ruth Henderson Memorial Concert. Woodlands Road heard 'The Final Countdown' played by our talented musicians as the America's Cup was proudly brought to Bermuda, greeted by the Saltus family applauding this exciting development in the island's history.

Jon Beard

Deputy Head - Director of Advancement

In debate and public speaking we continued to demonstrate excellence, with another successful year for both the Saltus Debate and Public Speaking teams. In October we sent a senior team to compete in Hong Kong for the 2014 IISPSC competition. Both Nalani and Kayla Dowling made it to finals with Nalani winning second overall in the After Dinner Speaking category. Saltus also had excellent showings at both the BJSL National Tournament in November and the Spring Debating and Public Speaking Tournament this past March. Both the senior school and middle school teams placed for debate category and a number of our students gained awards in the middle school division including best speaker awards. Students who received awards include: William Welch (4th), Ywione Darrell (3rd) for middle division and Kayla Dowling (5th), Nalani Dowling (3rd) and Liam Peniston (1st)

We were incredibly proud of all of our Nominees and Prize Winners at the Outstanding Teen Awards 2015. Saltus won 7 awards in total - more than any other school - including "Overall Outstanding Teen" awarded to Deputy Head Boy Nicholas Pell, who also took the award for Academic (Male). Head Girl, Nalani Dowling, won for Leadership (Female) and shared the award for Visual Arts; Peter Calow won for Vocational and Technical/Arts (Male); Alexis Smith won for Performing Arts (Female); and Daniel Oatley won for Sports (Male). No fewer than eighty-five S10 and S11 students completed their Bronze and Silver Duke of Edinburgh Awards this year. In the MSA Science Olympics, the Saltus S9 team took 1st and 3rd place overall, and the S8 team won 3rd place.

We have such a lot to be thankful for and proud of in our School community. I would like to take this opportunity to thank the Trustees, Faculty and Staff for all of their hard work and support. We are incredibly fortunate to have such a hard-working, dedicated team. I would also like to thank the Saltus Association for all of their dedication to the School.

This yearbook would not be possible without the hard work and creative talent of Fiona Murdoch, Yearbook Adviser and Trista Levere, Upper Primary Yearbook Editor. My thanks go to Fiona and also to Cynthia Barnes and the student Yearbook team for the wonderful job they do documenting all of our school events and activities throughout the year.

Claire Charlemagne

Jan Shaw

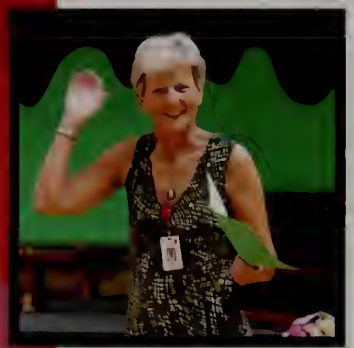
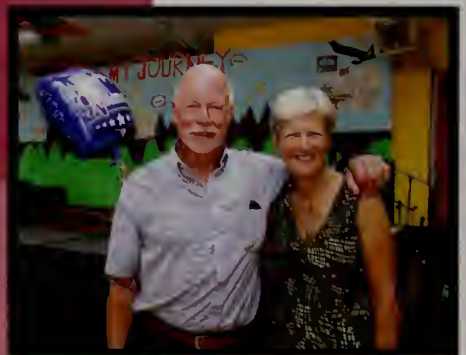
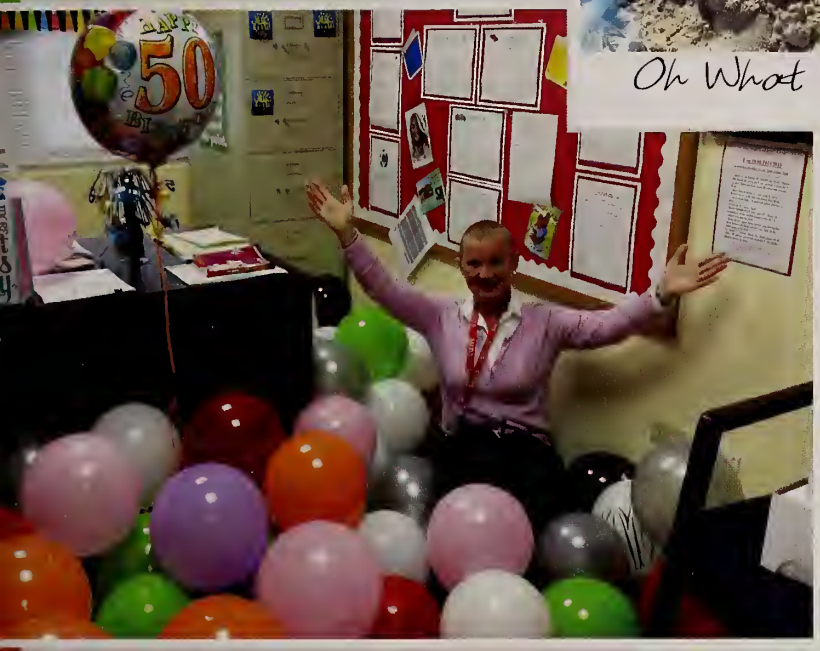
Farwell to Mrs. Shaw! Wishing you a happy retirement!

Jan started teaching at Saltus in 2004 and will be greatly missed by all of Primary Department staff when she retires this year. Jan has an outstanding professionalism about her and is always searching for new or better ways to teach her students. She never shies away from incorporating new curriculum and teaching practices. With the students' best interests at heart, Jan is always an advocate for the students and their academic, social and emotional well-being. As a colleague you could count on Jan to be there for you – to encourage, empathize and inspire. Jan was instrumental along with Tracy Renaud and other staff members to start up the Green Team at Upper Primary which was also implemented in Lower Primary. This club continues today, harnessing both parents and students in a working relationship to look after our local environment in practical ways. She also adopted John Smith's Bay as our school's KBB project. Teaching is a vocation and Jan has certainly demonstrated that throughout her career at Saltus. As Jan heads into retirement, she can leave us and feel confident that she has had a positive impact on so many lives. These include students, colleagues and parents who will never forget what a wonderful teacher, friend and mentor she has been. All the best Jan, we will truly miss you.





Oh What a Year!



Glad you were here!

WELCOME TO Upper Primary!

Farewell to....

Leslie Shrubb

Sadly, Leslie Shrubb will be leaving us this year to move to the UK. Leslie joined Saltus in August 2014 and throughout her time with us, she has contributed positivel to the school and the Year 5 team in the Upper Primary. She will be remembered for her fantastic science lessons and experiments in 5L and also her Girls Rule club, whic will be dearly missed. Best wishes, Mrs. Shrubb!

Saltus Debate and Public Speaking

What is Youth Parliament?
Every Wednesday, Bermuda students, some from Saltus, meet to debate various topics at the House of Assembly. Those who atten give the youth of Bermuda a voice.

A team that "far exceeded my expectations" - Christianna Hiles

Miss Hiles, who has been coaching at Saltus and for Team Bermuda, for a number of years, is very proud of all of the accomplishments of all of the Saltus representatives this year who have participated in everything from Youth Parliament to Public Speaking (IISPSC) and National and International Debate.

Youth Parliament

"Debating is a skill that provides a myriad of benefits. Not only does the practice of this skill increase students' ability to think on their feet and organize their thoughts cogently and clearly, but it also gives them the confidence to express themselves and their ideas. While winning is always the 'cherry on top,' simply creating and drafting after dinner speeches, cross examination cases or radio newscasts brings a sense of satisfaction to the students. Saltus has a long tradition of Debating in the World Schools Style, but we are now expanding and becoming a force to be reckoned with in the various public speaking fields as well. While the School is only able to send six students to compete in the IISPSC, many more students are able to benefit from learning and practicing these skills within the extra-curricular context at Saltus."

- Christianna Hiles, Head of Debate and Public Speaking

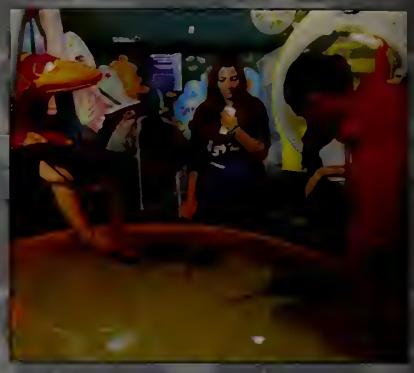
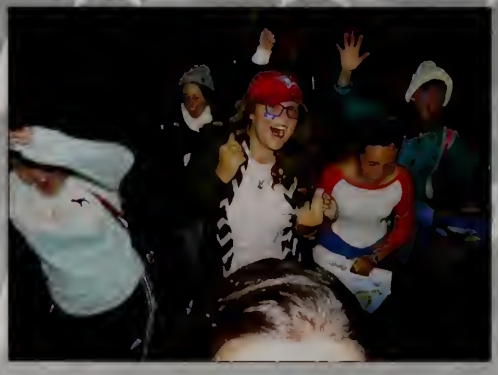
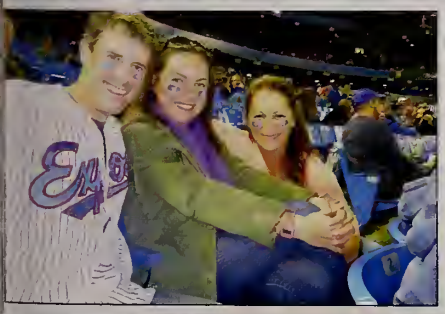
Drama Trip

2014







S10-S11 Canda Drama Trip

18 Drama Students enjoyed an exciting and rewarding trip to the Stratford Festival.

Events during the long weekend featured a tour of the Costume Warehouse offering an insight into the manpower required backstage to mount professional productions – 7/8 backstage people to every actor!

Special thanks to Mrs. Maule for organizing the trip, and to Ms.Kellly and Mr. Sinclair for tagging along!

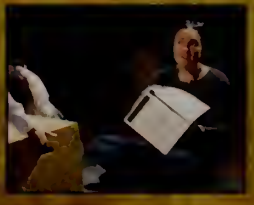
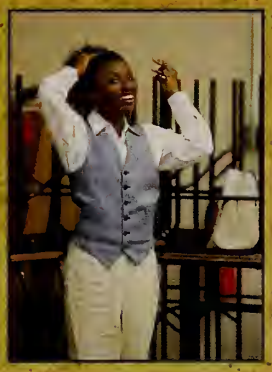
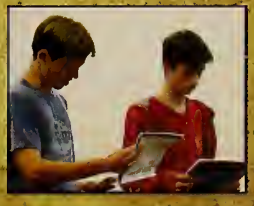
Our Country's Good

The Saltus annual production of Our Country's Good by Timberlake Wertenbaker was a truly special moment in the school calendar. The finished product was a real testamet to the hard work, dedication, creativity and talent of our student both on and off the stage.







"Art is not what you see, but what you make others see"

Bronze

Silver

"Congratulations to all of S10 and part of S11 for completeing either their bronze or silver award. Many Thanks to Mr. Martin and Mr. Mahon for British Organization !! Also many thanks to Ms. Gray, Ms. Southgate and Ms. Edwards for the fantastic bond fire. I hope all bronze and silver participants move on to silver or gold. "

-Mr. Martin

Saltus Island Project

The Saltus Island Project is a conservation and environmental education initiative, developed in partnership between The Bermuda National Trust and Saltus Grammar School. Students from Year 9 continue to clear invasive and introduced species and plant both endemic and native trees.

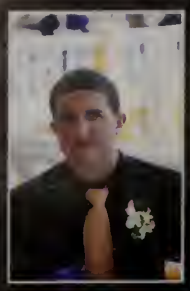
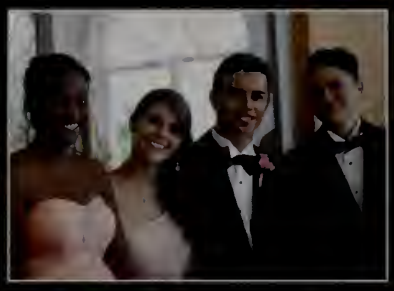
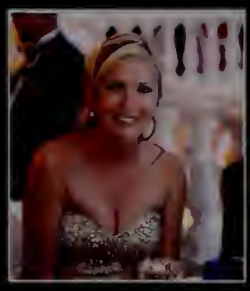
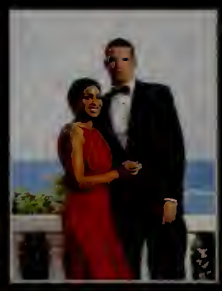
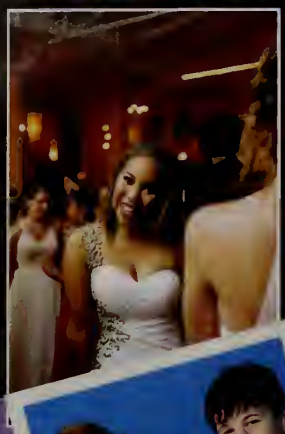
Prom

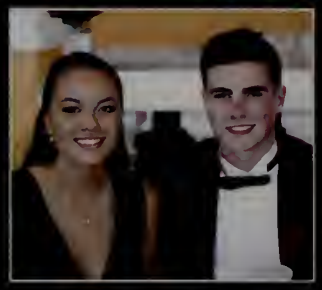


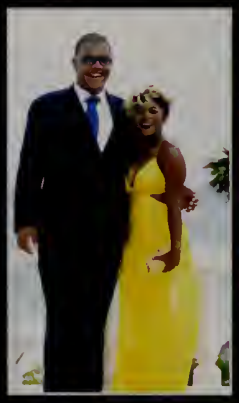


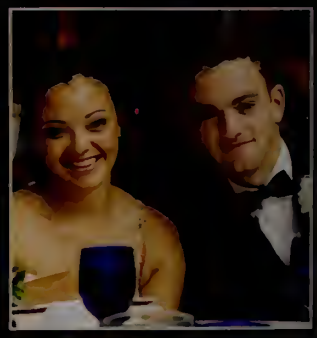


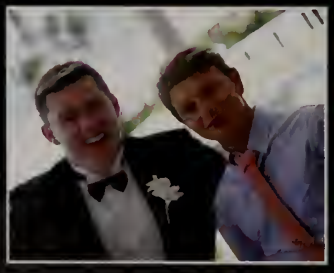


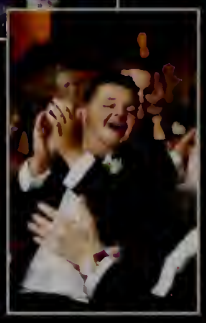


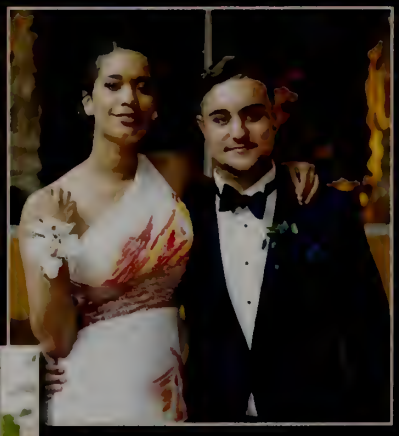


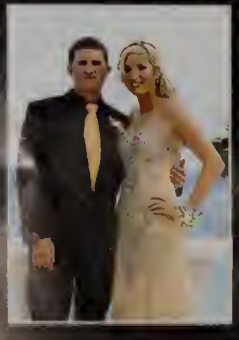


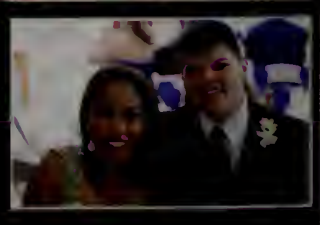


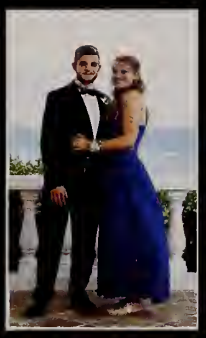


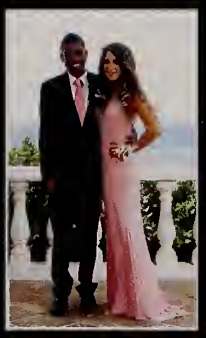


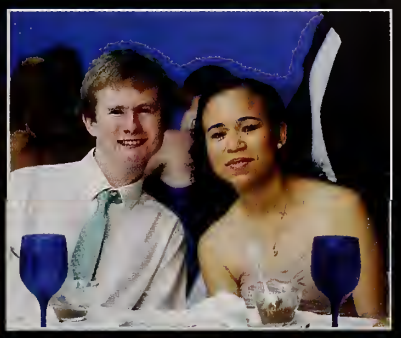


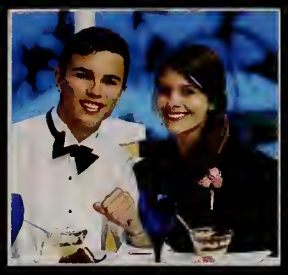


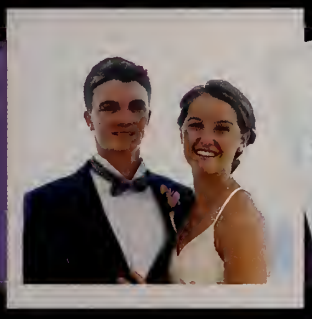


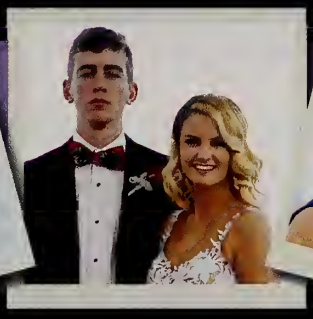


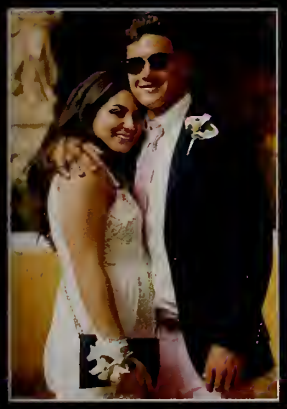


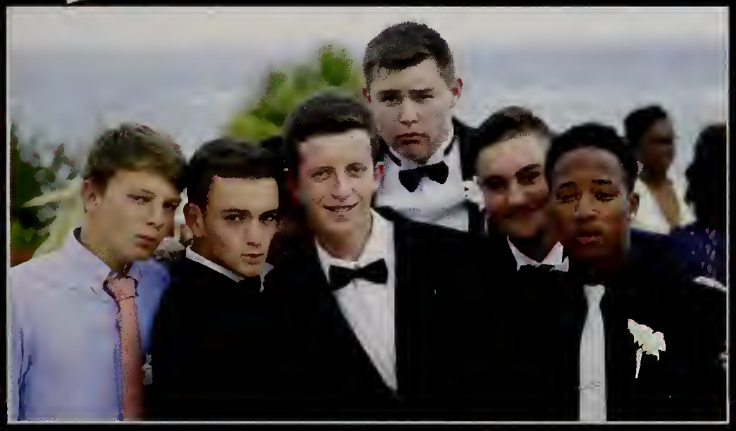


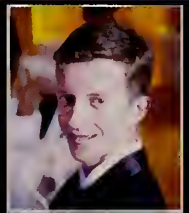


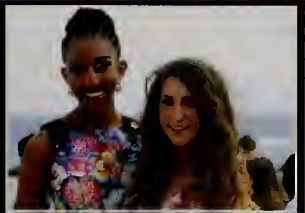




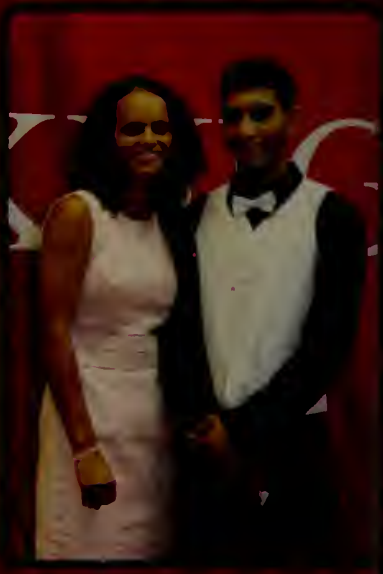


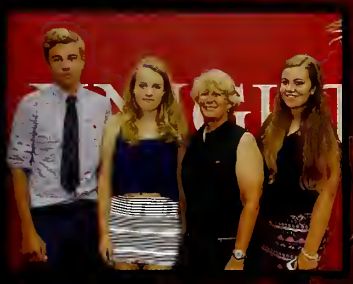


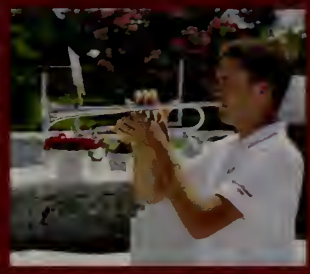


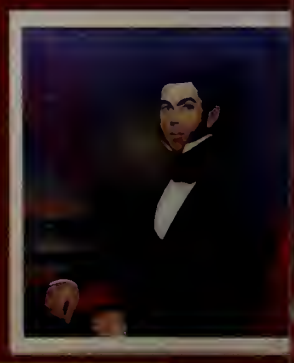


Athletics Banquet 2015



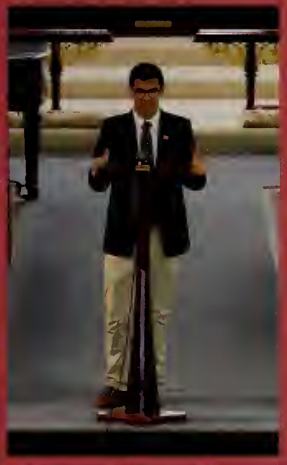


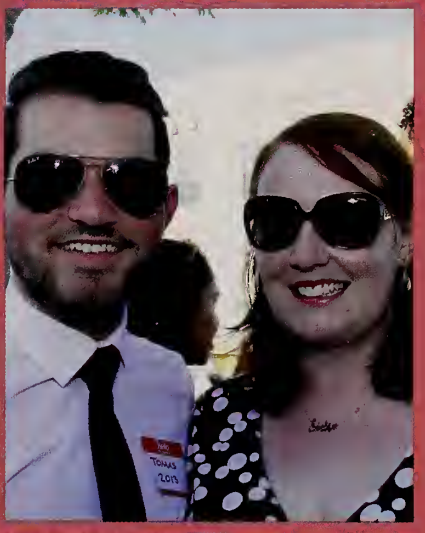




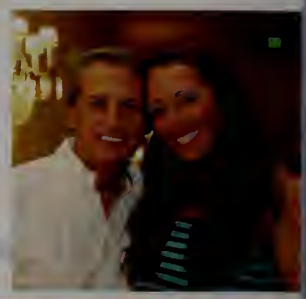
Founder's Day

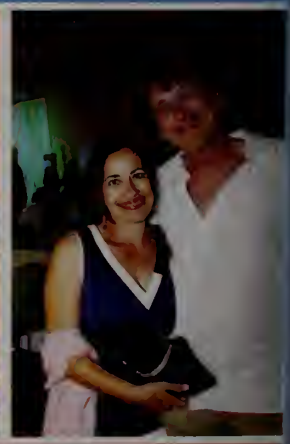
A celebration of the life of Samuel Saltus.

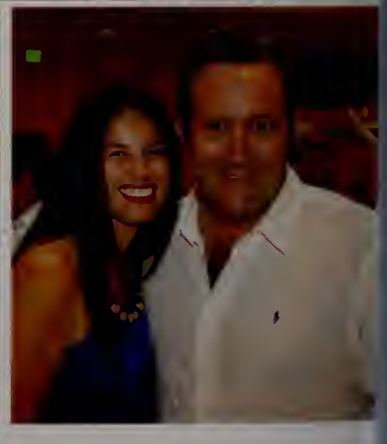




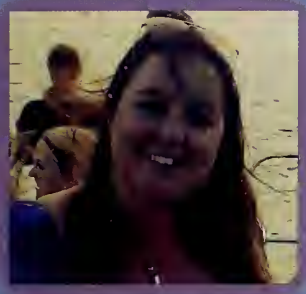
Saltus Association - The Event!





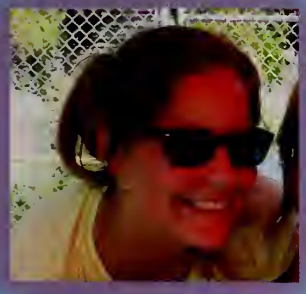


Farewell Staff



Kerry Southgate
Head of Modern Foreign Languages
Kerry has made a great impact since she started with us in 2012 as Head of MFL. Her good natured approach to her job has meant that the MFL Department has seen a rise in take up in languages in the SGY years and a willingness of students to want to speak a foreign language. Kerry has successfully run a co-curricular (Spanish and Geography) trip to Costa Rica and is a regular helper on the DoE expeditions. Kerry has been a dependable and reliable member of the faculty. She has done a superb job truly raising the standard of the subject and developing it into the Primary Department. We thank her for all she has done.

Peter Martin
Head of Geography and Duke of Edinburgh Award Scheme Co-ordinator
Peter has been with us since 2011 as the Head of Geography. He has done a terrific job in this role and also in his role as the Duke of Edinburgh Award Scheme Co-ordinator. He is a highly respected faculty member, and well-liked by both staff and pupils. He has significantly improved the academic standards of the Geography Department and has ensured outstanding examination pass rates at both GCSE and AP level. He has led the Bronze DofE for the last 3 years with excellent participation and completion rates. Pete co-led the very successful Costa Rica trip along with Kerry Southgate, and also accompanied the S6 trip to Washington. Our thanks go to Pete for all he has done.



Stacey Edwards, Teacher of English

Stacey joined us in 2014. She has been a great contributor to the English Department and to the school. In her short time with us Stacey has contributed to development of schemes of work, introduced 'word of the week' initiative and supported entries for writing competitions across the island and internationally. She has also assisted with DofE expeditions and also helped with the Poetry Café. Our thanks and well wishes to Stacey as she moves back to the UK.

Dayfdd Hermann-Smith – Teacher of Economics

Dai joined Saltus in 1981, and has been a major part of the development of the school. As an Economics teacher he has inspired (in his own inimitable way!) scores of students to both be successful in external examinations and to go on to study the subject in university. For a number of years Dai was the coach of the senior boys' cricket team and did an outstanding job. However, his passion is field hockey; and when we became a co-ed school Dai saw a way to help the girls develop a true relationship with the school. He produced some excellent hockey teams. Such was their enthusiasm that he (almost single-handedly) ran the very successful school team in the Bermuda Women's Hockey League for a number of years. He is respected and admired by all of these former students not just as a coach, but as someone who truly cared about them. Dai leaves to spend time between Bermuda and Spain with his wife Julia. Enjoy your retirement!

The 2015 edition of the Martlet was printed by Jostens Yearbooks of Clarksville, TN.

The Martlet staff created 196 full color pages on 100# gloss paper.

The Martlet was produced using Jostens Yearbook Avenue and Yeartech On-Line program. Photographs were taken by Mrs. Barnes, Mrs. Trista Levere, Yearbook Students, Henri Durousseau, Telisa Samuels. and yearbook staff included: Dale Tangelo, Kayla Tavares, Linda Amaral, Catrina DeSilva, Jaylen and Rianna Simons, Kyle Eve-Thownsend, Mackenzie Costa, Jewel Cumberbatch and Elena Dickman.

We apologize for any mistakes you find in the yearbook. Please know that the yearbook is a student produced publication and is a learning experience for the students who compile the photos, stories and content. As a result, there are no perfect yearbooks created ever. As you can imagine, we are disappointed to find our mistakes, but inevitably it happens, there is no malicious intent, nor the lack of care taken by the yearbook students in producing the yearbook. Sometimes mistakes slip through the cracks in the midst of deadlines. My students worked very hard on the yearbook and are proud of what they have accomplished.
We hope you enjoy the book of 2015!

Mrs. Fiona Murdoch
Yearbook Adviser
& the 2015 Martlet Staff.

Colophon

From the Adviser's Desk....

Another year has flown by and another class has said goodbye. It is difficult not to get nostalgic when you witness students start and finish their career at school and move on to the next phase of their lives. We hope we prepare them for what is to come. Amongst these pages are the memories that we all will have of this last academic year and ones we hope you will look back on fondly when Saltus is a mere distant memory. These are memories to be proud of and to cherish.

I cannot let this opportunity pass without saying a fond farewell to a dear colleague and friend of 19 years, Dai Hermann-Smith. After a long career of 34 years at Saltus, his countdown to retirement can finally end! Thank you for being a steatfast and loyal colleague, a mentor and most importantly the best example of a dedicated educator anyone could ever have the priviledge of knowing. The students will miss you and your pragmatic lessons about not only Economics but most importantly about life! May your gardens always be plenty and your passport be full of exotic places! You will be sorely missed.

My thanks as always goes to Cynthia Barnes for the thorough coverage of all the school's events and activities throughout the year. From class assemblies, to charity presentations and evening events, she is always there. I think she needs frequent flyer miles! This book could not be produced without her.

Also a special welcome to Trisa Levere, who has taken up the reins of Upper Primary Yearbook Editor - I hope you have not regretted saying yes! And I want to wish Trista well on her upcoming wedding - if only we could have had time to put a picture of the special day here!

Finally thank you to the Senior Editor Thomas Penrudducke. He's discovered its not easy being in charge and has risen to the challenge.

I wish to congratulate all students, staff and Saltus Family for a great year to chronicle. As always it is a privilege to be allowed to document all that is done at our school. I hope you will enjoy the hard work of our staff and you will be touched by the memories we have captured.

Fiona Murdoch
Yearbook Adviser
